

SUSTAINABLE SONOMA COUNCIL AGENDA
 Hanna Boys Center
 17000 Arnold Drive, Sonoma
 March 14, 2019
 3:00-5:00pm

Objectives:

1. Align our work group activities with Sustainable Sonoma’s mission, vision, and values.
2. Clarify the logic of how our activities can lead to more and better housing for Sonoma Valley, and the unique role of Sustainable Sonoma (our “lane”) in housing.

	Min	Description
1	15	Introductions and housekeeping a. Feedback poll results b. Binder updates
2	15	Re-affirm our intent on housing in the context of Sustainable Sonoma’s larger mission a. Code of conduct, operating assumptions, timeline b. Timeframes for regional/county/city housing processes
3	30	What is our lane? a. Logic model (attached) showing relationship between activities, barriers, and desired results. Discuss in light of our challenges, revise as needed. b. Unpacking “advocacy”. What is our “lane” for now?
4	45	Work Groups report out a. What did you do? What worked well? What learning can you share? What do you need from another work group? b. What challenges or successes are you having in embodying the Code of Conduct and Operating Assumptions in the activities of your work group?
5	15	1. Next steps a. Where does this work put us? What’s next on this for all the workgroups? b. How do we measure our success collectively?
